

UNITED AGAINST RACISM AND FASCISM

We'll Come United

invites you to the
anti-racist conference
from April 26 to 28, 2024 in
Frankfurt

The huge, Germany-wide protests against the extreme right impressively show that millions of people stand against Nazis and racist politics. At the same time, the Ampel-government is carrying out an unprecedented policy of deportation and exclusion. Basic rights of asylum seekers are thrown overboard on a daily basis.

This makes it all the more important that the perspectives of anti-racist and self-organized groups are loud and visible. Our resistance is directed against the ongoing restrictions and brutalisation! We stand in solidarity with the unbroken migration movements, which have proven stronger than ever in the past years.

The germanwide network We'll Come United (WCU) decided at a coordination meeting in Darmstadt in mid-January with delegates from 20 cities to organise an anti-racist conference in Frankfurt at the end of April. We invite all self-organised groups and activists to take part!

We want to create a powerful transnational space on podiums and in workshops: for exchange and empowerment in everyday struggles and for concrete strategies and mobilizations in 2024. Together we will discuss struggles against deportation, camps and immigration authorities, the strengthening of solidarity structures along the migration routes and the backgrounds of flight and migration.

The program will begin on Friday 26 April in the early evening in the student house in Frankfurt-Bockenheim and end on Sunday 28 April in the early afternoon. Catering and sleeping places are being prepared, but for planning purposes we ask you to register as soon as possible at the following address: mail@welcome-united.org

We will send you further information and the provisional program shortly.

**We oppose deportations with our solidarity on a wider scale.
No border lasts forever.
Freedom of movement and equal rights for all.**
